

Learn the position. Own the next rep.

Purposeful football development. A clear goal, individual feedback and a next step your athlete understands.

Starts November 7 at D1 Temecula.

40820 Winchester Road, Suite 1425, Temecula, CA 92591.

Recurring class times and the closure calendar are being finalized. This release accepts adult inquiries. Registration is not open; submitting interest does not reserve a place or take payment.

Choose your weekly rhythm.

Membership	Monthly price	Planned class access
Development	\$249	One reserved class each operating week.
Complete	\$399	Two suitable recurring classes for the same athlete.

Every class is 60 minutes, with a maximum of 12 athletes. Appropriate group placement and confirmed availability determine the places offered. Fifth scheduled class occurrences are included.

Your membership includes a starting skill observation within class, individual feedback, one clear practice priority and a concise monthly development update. A separate paid assessment or sales call is not required.

Planned billing begins on your first reserved service date and renews monthly on that anniversary. No October tuition, separate assessment fee or enrollment fee. Review the final dates, renewal authorization, cancellation and makeup terms before payment.

D1 strength and conditioning, private lessons, team fees and optional merchandise are separate. Your existing receipt and accepted agreement continue to govern any earlier purchase.

Arrive ready. Build a dependable routine.

One clear next step at every stage.

01 / Choose a suitable class.

Explore girls' flag, boys' flag, football development and movement pathways. Experience, readiness and the actual group guide placement. A beginner can join when a suitable group is available.

02 / Save your interest.

Use the adult contact form and keep your on-screen request reference. Email delivery is not connected in this release. Your inquiry is not a reservation or paid enrollment. When registration opens, review availability, the final calendar and terms before completing secure enrollment.

03 / Prepare for your confirmed first class.

Check the confirmed time, location and arrival instructions. Bring water and comfortable athletic clothing. Confirm facility footwear rules before bringing cleats. Complete required consent, emergency and pickup steps through the approved enrollment process. Do not submit sensitive athlete information through the public inquiry form.

04 / Know what progress means.

Start with one useful development priority. Each visit provides individual feedback and a practical next step. A concise monthly update explains the focus, observed progress and what comes next. DTU does not promise playing time, a scholarship or a specific performance gain.

Current class information
